

June 2018

Dear Partners in Ministry,

I am pleased to invite you and your organization to join the Chinese Mission Convention (CMC) South 2018 to be held in Houston, TX this December 26-29. CMC's mission is to inspire, equip and mobilize Christ followers to become reproducing Kingdom builders. We desire for Chinese and English-speaking Christians to live out God's Kingdom mission in our neighborhoods and around the world. In 2018 our theme is:

Living in Light of Eternity
Unleashed Together for God's Global Glory

I would like to invite you to take part in this opportunity to sponsor CMC South 2018. Over the past 30 years, more than 30,000 believers have attended our annual conventions. Collectively, these CMC attendees serve 225,000+ families within their churches and organizations serving in the fields of Discipleship, Family, Children, and Youth Ministry. In 2018:

- ☞ Over 2500 participants are anticipated
- ☞ Representing over 55 churches from Texas alone
- ☞ Plus more churches from other southern states

The registration fee for CMC is set far below the actual cost in order to welcome as many people as possible to join us. Above all, we trust the Lord to provide through His people the needed funds. We are also looking for complimentary organizations and ministries that would be willing to collaborate with CMC as a sponsor for the convention. Does your organization provide mission opportunities? Is your organization involved in biblical literature, seminary, training, or social justice? Does your organization provide services or resources in any of these areas that our attendees can use to be more effective in their ministries? Then we would like to connect your organization with our attendees.

Do not miss this opportunity to connect and collaborate with the participants at CMC this December.

Your partner in ministry,

Catherine Roberts
CMC Manager

About Chinese Mission Convention (CMC)

CMC is an inter-church, inter-denominational mission convention for the local church, through a broad partnership between local churches, mission organizations, and *Ambassadors for Christ, Inc.* (AFC). CMC ministers to both Chinese- and English-speaking believers. For over 30 years, God has used CMC to mobilize, equip, and inspire over 30,000 believers. CMC has been a special place for inter- and intra-church unity, to promote the common goal of assembling, educating, and inspiring disciples locally and globally for the fulfillment of the Great Commission.

CMC is a 4-day event that has one purpose: to see people unleashed for God's global glory. We are expecting over 2500 to attend CMC 2018. CMC South attendance in 2015 was over 2400. Together with AFC, CMC South 2018 is currently being sponsored by several major Chinese churches from the Houston/Dallas/Austin areas, as well as many additional local churches, seminaries, and mission organizations.
