# Literature List for Mainland Chinese

Ambassadors for Christ, Inc.

Mainland Chinese Lit. Ministry

21 Ambassador Dr. Paradise, PA 17562 Tel.: 717-687-8564 ext.6

The literature ministry of AFC includes Ambassador Magazine, AFC Publishing, AFC Bookstore, and the Mainland Chinese (MC) Literature Ministry. All of these departments operate entirely independently, but at the same time work together for efficiency. Many think the MC Literature Ministry is part of the AFC Bookstore. But this is not the case.

## About the AFC Mainland Chinese Literature Ministry

As an outgrowth of our own outreach to Mainland Chinese students and scholars we began collecting suitable literature in 1986 and then made it available to others. In 1990 we distributed 6,000 pieces. This has now grown to be well over 4 million pieces in total.

The growth has been a joy and a challenge. From the beginning we have kept the materials on a donation basis with relatively low ministry amounts. These amounts by no means cover our costs for this ministry. Now, with many new titles, increased inventory and the necessary growth in staff we are facing a critical need for more partners who can help by augmenting our present income. We also trust God for funds which enable us to provide literature with no donation during strategic opportunities.

We are so grateful for those friends who help. If you are not already a partner in this way, we welcome you, as well as churches and other groups you may influence, to become an integral part in making this ministry possible. In addition to distributing and donating for the literature, you can designate additional contributions to the AFC "Mainland Chinese Literature Ministry."

## Purpose of the MC Lit. Ministry

Please note that the resources ordered from our simplified script literature department are for giving or loaning to Mainland Chinese who need the encouragement we together can give them. Allowing them to donate the cost is also permitted and is sometimes better for them. But they are not for resale for profit. (There is a special policy for bookstores and others who need to "sell" the literature. These agencies must request and agree to that policy.) Pray with us that God will use these resources to impact people for eternity.

## Regarding This Literature List

A copy of this list is also available in Chinese. There is also a suggestion sheet that discusses some of the best titles, especially for non-Christian educated MC's.

The item listings, nearly all in simplified script, begin with a letter (e.g., D1-5). But some items are from the AFC Bookstore. Bookstore item numbers are all numerals (e.g., 027001). Bookstore items are usually in traditional script and are included here because of the value we believe they have for outreach to Mainland Chinese. Payment needs to be made for these when ordering. We can take your order for these bookstore items along with items from the MC Lit. Ministry.

[Note: Many additional items, basically all in traditional script, are available from the AFC Bookstore. You can call them at 800-624-3504. ]

## Donating for the Literature

The amounts shown for the items are minimum amounts. As mentioned above, these are below our over all costs for this ministry. At times these amounts may change. Important: We ask you, if at all possible, to call in or fax credit card information when ordering, as it saves us much time and expense. Any donation for the literature should include the number assigned to your order. Please request that number if your credit card information is not given with your order. Any donations by check should be to “AFC” with clear indication that it is for “Mainland Chinese Literature” (or “MC Lit”) along with the order number for which the contribution is being made.

## Required shipping time

Doubtless you have heard of Murphy’s Law (what can go wrong, will go wrong). Since it seems no one is immune to its effects we **STRONGLY** urge you to submit your orders as far ahead of the desired delivery date as you possibly can.

Here’s how to estimate required shipping time:

At AFC it may take us from 1 – 3 days to process your request. We strive for less than that but we cannot control the time of the UPS pick up, the time your order is received or the time zone differences. Let us know if your order is especially urgent and remember that UPS will not deliver to a P.O. Box address.

UPS delivery normally takes between 1 – 6 working days (not including Sat. & Sun.) Smaller orders of 3 lbs. or less are usually sent by Priority Mail which takes up to 3 business days.

So, starting from the day we receive your order, you should allow a total of 3 – 8 working days for delivery.

The following examples will help you estimate actual shipping time to various places:

If you are in:	UPS will usually deliver in:
NYC/WASH. D.C./Pittsburgh, PA	1 working day
Michigan/Indiana/Florida/Massachusetts	2 working days
Minnesota/Iowa/Dallas/Texas	3 working days
South Dakota/Austin, TX/Denver, Co/Southern, CA	4 working days
Northern California/Washington/Houston, TX	5 working days

FYI: 1, 2 or 3 day AIR by UPS is available, but it is more expensive.

<b>A. Bibles and Bible Portions 圣经和经文选集</b>		
<b>A1 Chinese Bibles &amp; New Testaments 中文新旧约全书及新约圣经</b>		
	<p><b>Chinese Union Version (CUV)</b> is an excellent Chinese Bible version. It is commonly used by the vast majority of Chinese believers in both Mainland China and major parts of the World. It is considered as one of the earliest Chinese Bible translations done by almost a hundred Bible scholars and Chinese Language experts in the early 20<sup>th</sup> century. Although, a few terms in CUV may be out of date, the language quality is incomparable. It maintains the original flavor of biblical terms with the most equivalent match in Chinese language. Most Chinese believers would welcome CUV simply because the language value is extraordinary.</p> <p><b>Chinese New Version (CNV)</b> is another translation done by outside scholars other than Mainland China. It is said that this version is more plain compared with Union version. Just like the existence of various versions in English Bible, we, as one of the major Bible distributors in North America hold an open attitude towards this translation even though we have learned that most Mainland Chinese scholars have given high praises to CUV rather than CNV. We believe God's words suppress any language. You will notice the CUV and CNV behind each Bible item.</p>
